Eye and ear protection is mandatory for EVERYONE.

2.1 All events will be run on cold ranges.

2.3.1 Rifles must be cased, secured muzzle up or muzzle down in a stable gun cart/caddy, carried or slung with the muzzle up or down.

2.3.2 Detachable magazines must be removed and the **use of high-visibility empty chamber indicator (ECI) device is required.**

2.4 A competitor who causes an accidental discharge will be stopped by a Range Officer as soon as possible and shall be disqualified. Examples of unsafe gun handling include:

2.5.4 Allowing the muzzle of a firearm to break the 180 degree safety plane.

2.5.5 Allowing the muzzle of a firearm to point at any part of the competitor's body during a course of fire (i.e. sweeping, muzzling, etc.).

2.6 Any movement, including any barricade transition, must be done with the action open and an empty chamber.

2.6.1 Semi-automatic rifle exception: The competitor must engage the safety and yell "SAFE" loud enough for the Range Officer to hear with ear protection.

2.6.2 Failure of the competitor to follow rule 2.6 will result in the competitor returning to the previous position and complying with the rule.

### Range Commands

**"MAKE READY"** (You may now load your firearm and assume the starting position.)

**"ARE YOU READY?"** (An affirmative nod or verbal "yes" will suffice.)

**"STANDBY"** (The timer will be activated in 1-5 seconds, signaling the start)

**"BEEP"** (The timer has started. Engage the targets until completed or the par time elapses. Reload safely as required.)

**"IF YOU ARE FINISHED, UNLOAD AND SHOW CLEAR"** (Remove the magazine, open the action to eject round, and allow the Range Officer to visually inspect that the chamber is empty. Insert the ECI.)

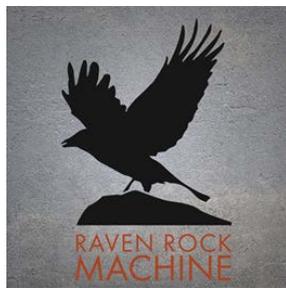

**"RANGE IS CLEAR"** (Shooting is finished, and scoring will commence. Reset targets as necessary.)

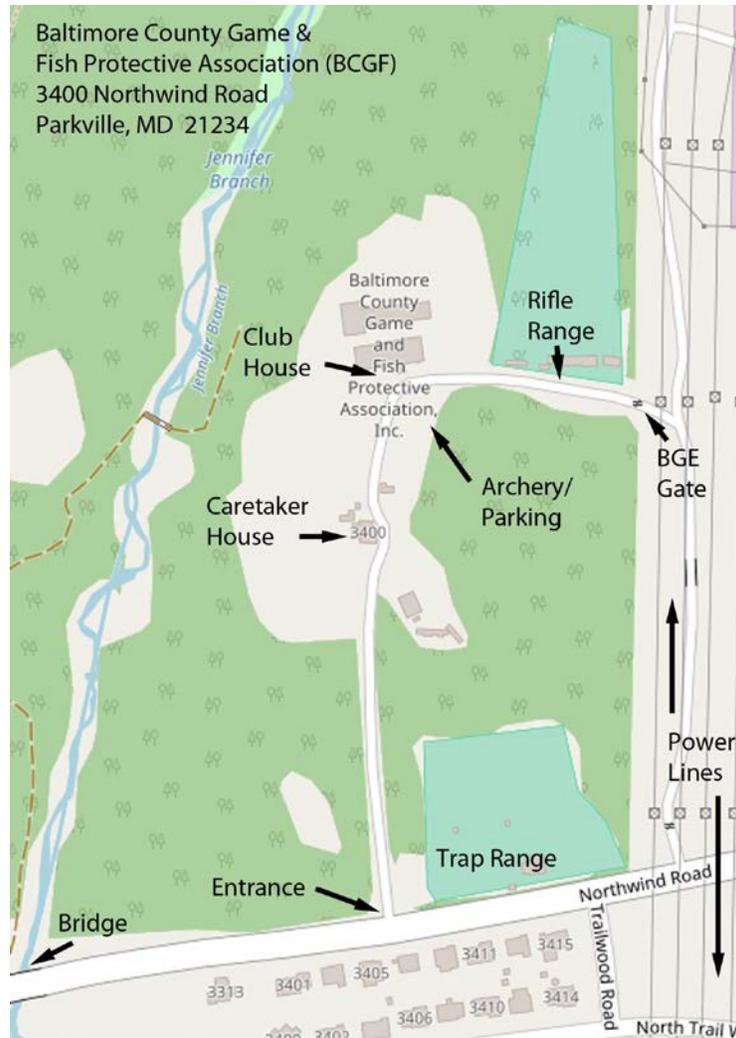

At any time, a RSO may issue the **"STOP"** command in the event of a safety issue or hazardous situation. You should cease any actions (in effect FREEZE, DON'T MOVE), and await further instructions.
